

WEBSITE DESIGN *process & order*

 YOU - THE CLIENT

 ME - THE DESIGNER

SCHEDULE A CONSULTATION

We will discuss your project and ideas, answer any questions and concerns you may have.

I will then send you a custom quote.

GET YOU BOOKED IN

When the quote has been accepted by you and the 50% non-refundable deposit has been received, I will reserve you a date.

PREPARE

I will send you a worksheet for all the required information for your new website.
Text – images – logo – social media links etc.

DESIGN

Sit back and relax for 3 weeks!

Start outlining and drafting all the pages and design. Implementing colours, site styles, custom code and optimise images.

1st REVEAL & FEEDBACK

Once 80% of the design is completed, I will invite you with a 'PASSWORD' to view your new website.

You then have 3 business days to share your feedback with me.

2nd REVEAL & FEEDBACK

Feedback will be implemented to website.

You have 3 business days to share your final feedback with me.

REFINEMENTS

Run through final website, testing links, SEO and functionality.

Final payment - Set an appointment for 1 hour training session via Zoom.

CELEBRATE

1 hour training and website instruction guide.

Connecting your 'New Website' to your own domain connect your social media accounts.

NOTE:

As I only work on one website at the time to give you my full attention you deserve, please only take 3 business days to complete your feedback. I am always happy to put your project on hold, so that the next client can move into their time slot and you can resume again at a new available date. Thank you.
